## EDUCATION

### Vellore Institute of Technology

B. Tech CSE(Core) | CGPA: 7.61

Expected May, 2026

## SKILLS

- **Product & Management Skills:** Product Strategy, User Research, Agile Methodologies, Data Analysis.
- **Data & Tools:** MS Excel, Salesforce, Power BI, Financial Metrics Analysis, JIRA, Data Analysis.
- **Technical:** Python, SQL (MySQL).

## PROJECTS

### RationSeva

Oct, 2024 – Apr, 2025

- Spearheaded the digital transformation of supply chain operations, optimizing distribution workflows to reduce operational overhead by 45% .
- Analyzed user metrics and executed A/B testing strategies to drive key feature enhancements, directly improving service accessibility for over 1,000 users.
- Improved service accessibility and security for over 100 users by designing an intuitive interface featuring real-time tracking.
- Collaborated with cross-functional engineering and design teams to analyse user metrics, executing A/B testing strategies that drove 3 key feature enhancements.

### Health++

Feb 2024 – May 2024

- Designed and launched a healthcare platform focused on process automation, significantly improving patient consultation throughput.
- Implemented enterprise-grade security protocols (RBAC) to ensure strict compliance with data privacy standards for sensitive records.
- Integrated filtered search capabilities using Google Maps API, facilitating over 50 successful connections per month .
- Future-proofed system architecture by designing a scalable, modular framework to support upcoming AI diagnostics and wearable device integrations.

## INTERNSHIP

### Data Analyst Intern | Where you elevate | 3-Month Internship

Mar 2025 – May 2025

- Analysed and cleaned large datasets using **SQL, Excel, and Python (Pandas)** to identify trends and improve data accuracy.
- Built **interactive dashboards in Power BI / Tableau** to track KPIs and support data-driven decision-making.
- Automated recurring reports and queries, reducing manual reporting effort and improving turnaround time.

## ACHIEVEMENTS AND EXTRA-CURRICULARS

### Achievements

- Awarded the National Service Scheme (NSS) 'B' Certificate for my dedication to over 350 hours of community service.
- Received appreciation from the Ministry of Parliamentary Affairs, Govt. of India, for coordinating the Youth Parliament Sitting (Tarun Sabha) for two consecutive years (2024 and 2025).

### Extra-Curricular

- Facilitated rural adoption of renewable energy by conducting targeted workshops on **Solar Power Panels** and **PM-KUSUM subsidies** during a 7-day NSS camp. Acted as a key information bridge, educating farmers on financial benefits and motivating them to transition to solar-powered agriculture.
- Led stakeholder management and resource allocation for NSS community programs, successfully coordinating a 10,000-tree plantation drive and managing volunteer teams.
- Organized technical hackathons and coding competitions for the Microsoft Club, driving student engagement and fostering a competitive developer ecosystem.
- Served as a core Discipline Committee member for VIT Bhopal's annual fest, Advitya.
- Led the Marketing and Sponsorship Team at Pahadi Club, driving partnerships and promotional initiatives.

## ADDITIONAL INFORMATION

- Interests: Cricket, Football and Managing projects.
- Languages: English (Professional working proficiency) and Hindi.
